

Publick Ministers in America
Streets of America Ministry
19 Santee Lane
Beaufort SC 29906

JUNE-AUGUST

The Streets are still the same unless you hear a profession of faith Once and a while. It seems as though According to everybody they are saved And going to heaven yet they don't act Like it.

Many times when I go on the street I wonder if anybody out there really is Thankful for what the Lord is bringing Them. I express all the time that if it Was not for the Lord Jesus Christ I Would not be out here. If one person Gets saved out on the streets it has Been worth it all, and might I say if no- One gets saved it has still been worth It all. I serve a God that gives all men The opportunity to repent and believe The Gospel. No man can stand at the Judgment of God and say nobody told Me. The Lord is not willing that any Should perish, but that all would Believe the Gospel. I love my Home- Less congregation. They don't tithe to The Church on the Street and we don't Ask. The Bible said is better to Give Than Receive and that's exactly what We are doing with the Homeless here In America. 2.3 Million homeless in America alone. 23% of these Home- Less are our soldiers who have fought To give us the little bit of freedoms we Still have today in America. I served for 7 years in the United States Army Res- Serves and during that time I was Fortunate to be in the Peace time years. We have a lot to be thankful for in America, and I thank the Lord He Came to where I was in the summer of 1983 and saved me. God is trying to Reach the Lost Homeless souls out Living on the sidewalks and sleeping Under the bridges. Ours is not to ask Why they are there, to take the time And bring them the Gospel, and a little Food and a change of clothes. It may Not be much but it just might help in Saving a Soul.

----- Brother Tom Anderson

Making Friends with the ones you Help

Praying with the ones your trying to help

We are in need of much prayer concerning the streets. I am praying about getting the brethren in these area's To help me with the distribution and Preaching among The Homeless in Atlanta, so I can spend some time in Savannah with the Homeless. This will also give me Time to go and present the Ministry to several Churches And build the support we need. Donations of food, Clothes, and much more is needed. We need Bibles On hand in case someone asks for one. If we can get In the churches to present the work it would be a Blessing. We will have to make time regardless, but it Would be nice to see God call some men into his area.

Please call us if you have any open Door for a Missionary to present his Work. The Missionary is Me. We send Out prayer letters to at least 40 churches That do not support this Ministry that we Know of but your prayers are much Needed and if you have an open door We would love to come and tell you what We are doing and our plans to reach more Homeless while we have the chance. I know we are not on the field across the Ocean, but if we don't try to reach our People with the Gospel I wonder what We must look look to the other countries. We will go across the ocean, but we will Not go across the Street. We will spend all We have to send a missionary to Africa And let America Go to Hell. This is my Samaria and once I have done all I can do here then let the Lord send me somewhere else For His Honor and Glory.
