NEWS LETTER

Hello everyone, and hope all is well with all of you. Due to unfaithful givers, immorality of some that had to be put away from the church, and some of the people trying to take over and be the authority of the church, the church in New York could not survive. Because of these fighting's within the church and refusal of obeying Gods word the church closed and I had to leave.

I have never seen such secret sins revealed by God to me in the 2 Year I was Pastor of the Church in Belmont New York. The Scriptures make it clear in: *(Numbers 32:23 But if ye will not do so, behold, ye have sinned against the LORD: and be sure your sin will find you out.)*

I am heart broken about the whole situation with hoping the church would get involved with the homeless and have a love for it such I do, but when there are other issues dwelling in the place of worship and among Gods people it is made obvious why.

I am back in Beaufort now and will be back working the streets of Savannah Ga. Charleston SC. and Atlanta Ga. with the Homeless and needy as before. I have done all I can in New York so my focus now is as it was before unless the Lord Jesus Christ shows me otherwise.

Any donations to this Ministry would be greatly appreciated. Need to know more about NY just call me. God Bless

Right Now!

We are trying to plan for the Spring weather.

Please gather your Blankets and Clothing as well as any food you are able to provide and especially bottles of water. We give out Soda' on occasion but water is the best I have seen for those that are living on the street because of many of their health conditions such as Diabetes, heart problems and other health conditions. Please plan with us and let us know if we need to pick up the items. We want to thank you all for being a blessing in he past and ask if you could be a blessing again helping the homeless for the future.

Much to do before Spring so please pray and plan with us.

When I took the Church in NY as the Pastor and moved the Homeless Outreach up there we lost most all of our support. so please if you know of any churches that might be interested in this ministry please have them call me.

Thank You all again and God Bless you for your love for those that are without.
