MARCH NEWS LETTER 2017

Hello, and we want to thank you for your support to this Ministry.

We have been working with the homeless here in Beaufort SC. We are finding more homeless every day. We are receiving phone calls from local councilor's that are working in Hospitals, and Social Workers from different agencies that have people that need shelter for the night or some type of programs to put our homeless into.

As it is we have no Shelter in Beaufort SC and the closest Shelter or Missions that are near Beaufort SC are located in Savannah Ga and Charleston SC.

There is nothing for our Homeless between these two locations.

We have started once again to call the different Churches and book meetings to present this Homeless Outreach Ministry.

OUR VISION: is to start a Mission/Shelter here in Beaufort SC as I have mentioned before in our last News Letter, But it will take much prayer and Finances to do this.

If we can not find a building for the Mission then we will find 2 acres of property and put up a small building to use as an open Soup Kitchen and also use it as a Chapel, and around the perimeter of the property make designated places for Tents, so that our Homeless may have a safe Haven place to stay over night.

OUR VISION:

Continued

The name of the Mission/Shelter or will still be

"The Lighthouse Mission"

Our Homeless need a safe place to sleep at night. I know that during the Winter months it will be a little rough for them but we can make sure they have plenty of blankets to stay warm and maybe be able to build small rooms in the future once we have begun this project.

The Chapel/Soup Kitchen Building we are looking to purchase and put up once we have purchased the property will look something like this.

The Mission/Shelter will have Biblical Principles in order for our Homeless to stay in the Missions camp area.

Right now we need to build our Support Financially to achieve this much needed goal. We can grow our Mission from here.

Please keep this in your prayers as we see that this is most likely going to be our next move in getting this project moving.

Thank You and may God Bless
