OCT- NOV NEWS LETTER 2018

We are entering another season and the cold will be here before you know it and our homeless will be needing coats and blankets.

We are stocked with a few Coats and Blankets. We were donated a load of Coleman sleeping bags and also received a donation of small 3 man tents for our homeless and will receive more as we have need of them.

OPERATION SAFE HAVEN

As many of you already know we have been praying about being able to afford a couple of acres of land for our Soup Kitchen /Chapel camp area for the homeless. The Soup kitchen will also be used as a chapel for services to preach to the homeless camped on the property. We are trying to raise the money for the property and so far have not raised but \$150.00 on the Fund Raiser we have had going for 7 weeks. (see more on Face Book)

Our goal is to get this project going is set right now at **\$35,000**. This will allow us to purchase the land, and build the Soup Kitchen/Chapel plus put in a Water Source (Well System) and build a Shower House for our homeless to take shower's. We will bring in Port-a-Jons temporarily until a Septic system can be installed and Bath Rooms.

The Soup kitchen/Chapel we are looking to build will be something like this and possibly bigger.

Our homeless are in need of a Safe Haven and a Church they can go to without being turned away or unwanted.

We are asking our supporting Churches if they are able to help us with this financially. We have never asked a request like this before, but our homeless are in need. God Bless you all.
