NEWS LETTER 2021

www.streetsofamericaministry.com

Streets of America Homeless Outreach Ministry
Beaufort Lighthouse Mission In The Works

PLEASE PRAY!

Our White dully Truck, the F350 has been a good truck all these years and has been all around this country but unfortunately we had to take it off the road.

We have been having several issues with the brakes on the truck and thought it would be an easy fix but when we were bleeding the brake system we had black and brown brake fluid coming out of the brake lines.

When we saw this we knew that was a bad sign. Brake lines can build moisture in them after a period of years and start rusting your lines from the inside. This is something I have never experienced with my vehicles but now I have. This is causing us not to be able to bleed the lines properly and have failed unsafe brakes for highway use.

The whole brake line system has to be replaced and considering how much it will cost to get it done and how old the truck is we did not feel it will be wise to spend the money we don't have. The truck is a 1992 and having a few hundred thousand miles on it we will let it rest on our property and use it on the property for small tasks as long as we can have a little bit of brakes.

Our Patrol Truck

At least we still have our patrol truck we can use to deliver what we need and still

look our homeless till we can get another truck. We will need at the least a used Ford F150 that will pull the ministry trailer with all the homeless equipment and supplies

The Trials of Our Faith

OFFICE FOR THE MINISTRY

Thank all of you that have given toward us getting this office completed. It seems like when we get 2 or 3 steps ahead we have to take on step backward because of ministry items getting old and wore out. We are hoping to have this office completed by the end of the year.

We are down one less truck and will have to replace it with a good used one.

If anyone has a Ford f150 in good condition and would like to donate it to this ministry that would be a blessing. We will come and pick it up and shake your hand and hug your neck for being a blessing. But we will leave that in God's hands. Lord Bless you all.

Support for 2021

Thank You again for your support to this Outreach Ministry and may the Lord Bless each one of you for your giving in prayer and financial sacrifices.

This Ministry operates Through:

Landmark Baptist Church, Pastor: Dr. Rick Parker

SUPPORT ADDRESS:

Preacher: Tom Anderson
Streets of America
Homeless Outreach Ministry
19 Santee Lane
Beaufort, SC 29906

Cell Phone: 843-592-1001

Office Phone: 843-917-3356

Special Note!

. We are praying about the calls we are getting from Hospitals, alcohol and drug abuse centers, mental health agencies and many other agencies in needing a room or shelter for the night for these individuals they are handling.

Once we get the shelter or Tiny house program finished we see already we will be filled up.

There will be a lot of screening and information needed as well as forms filled out to take in anyone for a night or a week.

We get calls on a daily bases of people wanting money for a motel room or gas voucher for their car food vouchers.

As we see our president has worsened the economy situation we expect to have more people in need as we see the winter months slowly approaching. There is no doubt I am going to have to get back on the road to the churches around this country to build some much needed support. God Bless all of you for being there for us.

Please keep us in much prayer as we continue to pray for you.

Preacher Tom Anderson
