ON THE ROAD AGAIN

It is getting close to that time beginning in JULY to be getting back on the road to build our support needed for the "BEAUFORT LIGHTHOUSE MISSION CHURCH".

We have been working with the homeless for many years now and as they seem to be getting worse with their drug addictions we cant help them like we would like to. The Wooded area's have gotten more dangerous and for me to take Christian volunteer's

out in the field where the Homeless carry knives, Guns, and Machete's it would be a high risk for those I take with me.

We will be starting our Homeless Rescue Mission as a Church First and at the same time have the Mission as part of that work. When you are dealing with a Tourist Town like Beaufort SC you have to be very careful because you will have many people work against the Idea of a Rescue Mission or Shelter opening up that will attract more homeless around the United States to come in to Beaufort County.

The Rescue Mission will have to start as a Church and we will be able to Minister and Preach the Gospel every day to our homeless that come in to the Mission.

The Church Mission will start out in Phase 1 where we will Feed our Homeless one hot meal a day after they have sat through a 10-15 minute devotional Preached by Me or one of our Calvary Baptist Bible Students or any Preacher we approve to come in that is affiliated with Calvary Baptist Church. No Mixed Doctrines by different denominations at this Mission. This is why we are a Church First preaching the Gospel of Jesus Christ to the Poor & Homeless that are wanting that HAND UP and not the HAND OUT. I love helping people but if our homeless that are on addictive DRUGS they are not on a Path that our Church Mission can Help them.

PHASE 1.

1. We will Open as a Church.
2. We will set up to have regular Services.
3. We will arrange for Hot Meals to be brought in for Morning and Evening.
4. The Homeless we assist will be sober Homeless Veterans, and Non-Veterans.

Continued

5. Veterans will get assistance with the VA staff we will have come in and they will help our Homeless Veterans get their VA benefits that they have earned, such as Jobs and Housing.
6. NON-Veterans will get assistance with HUD and other Social workers and meet the requirements to get housing assistance with the Job they must have First.
7. Homeless with Drug Addictions will be directed where to get help before we can Help Them.
8. We will try and set up an area for Emergency Overnight Homeless Guests on Freezing Nights.
9. We will not take in Overnight Homeless during our PHASE 1 Process.
10. We will have meetings with the Men of Calvary Baptist church and other Preachers affiliated with Calvary Baptist Church to pray and discuss ideas on how to move in the Right and Godly way with the Outreach to help our homeless in Beaufort SC.

We will report all progress with the Mission Church to our Supporting Churches and giving a Quarterly Newsletter Update.
